Royal Holloway, University of London	Economics with Management
University of St Andrews	Mathematics
The University of Sheffield	Biology x2 Economics Mechanical Engineering Zoology
Sheffield Hallam University	Criminology Sport Development with Coaching
University of Southampton	Medicine Psychology
University of Surrey	Chemical Engineering Mathematics
Swansea University	Chemical Engineering (with a Year In Industry)
University College London (UCL)	Biological Sciences
The University of Warwick	European Law (including year abroad) Management Mathematics Mathematics and Physics Modern Languages (4 years)
University of York	Economics Economics and Finance

Students not taking up places at university this year are applying for degree courses in Medicine, Economics, Music, Biological Sciences, Philosophy, Dentistry, English Literature and Fashion Design. Many of these students are gaining work experience prior to starting their course.

Two students applied for deferred entry through UCAS and are taking a Gap Year with a place waiting for them at King's College for Dentistry, and University of Nottingham for Physics.

One student has embarked on the Art Foundation Diploma at Warwickshire College.

In addition, two students have secured an Advanced Apprenticeship – in Civil Engineering, and Finance.
