Dear Parent,

You will be aware of the altered advice from the Government now that we are in the 'delay' phase of the coronavirus outbreak. In particular the self-isolation rules changed on Monday 16th March 2020. **If anyone has any symptoms of coronavirus infection; particularly if they develop a new cough and/or a fever, they should stay at home for 14 days from when the symptoms started. Whole families now also have to isolate where one person has symptoms.**

We are updating our school processes daily, responding to advice given from the Government. Although we have not yet been given advice to close, we are working on an online learning resource in the event that this happens.

Please stay safe and put yourselves and your families ahead of school attendance. We have had some parents concerned about attendance, but we will mark any child's absence related to the current pandemic as 'Unable to attend due to exceptional circumstances'. Please feel reassured that your family safety is paramount to us.
