

Welcome Back

We hope you are safe and well, and looking forward to the new term ahead. We certainly are!

We have been busy behind the scenes planning and getting ready for schools reopening in September. Our number one priority is the safety of our team, your pupils and wider school community. You will see some changes to the kitchen and dining room that will ensure everyone can eat safely with us every day. Trust us, as we go through these new times, that we will work tirelessly to ensure your catering provision remains at the highest standard whilst operating in a safe manner for all. We look forward to seeing you in the new term.

Enhanced SAFETY PROCEDURES for our teams

1. FITNESS FOR WORK

Our team members will NOT attend work if they have COVID 19 related symptoms.

2. HANDWASHING

All teams will wash their hands thoroughly and more regularly.

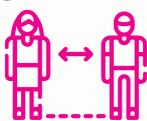

3. PERSONAL HYGIENE

Team members will not touch their face. They will wear a clean uniform every day.

4. SOCIAL DISTANCING

Our teams will stay socially distanced from colleagues, pupils and school staff.

5. ENHANCED CLEANING

Contact points will be cleaned more regularly by our teams.

We have updated our FOOD OFFER

HOT FOOD COUNTER

Food will be served on to plates and placed on counters for pupils to take.

NO SELF-HELP AREAS

We have removed self-help areas in the dining room, these include salad bars, water dispensers, soup stations and yoghurt bars. Instead, these will be served in individual reusable pots or bowls.

FOOD INNOVATION

Food innovation will continue as usual, with some new thinking we have created ideas that fit into a new way of serving.

SUSTAINABILITY

We have not forgotten our sustainability credentials, re-usable items that can be sterilised after each use through the dishwasher are being encouraged wherever possible.

NUTRITION & SUSTAINABILITY EDUCATION

Lots of these sessions and resources will be going online, as well as lots of new, exciting virtual kitchen activities.

Our Remobilisation Pack provides managers with guidance on how to introduce a safe food offer

We look forward to seeing you in September and supporting you and your school community through these new times.

Best wishes,

Ronan & Nick
