BURSARIES (11+ APPLICATIONS ONLY)

Bursaries are means-tested. They are offered to pupils whose parents can contribute to fees, but who are unable to meet the full fees. Parents are required to submit financial details annually to show income and expenditure. Bursaries may be combined with scholarships.

Please refer to the Coventry School Foundation Bursary and Scholarships policy on the website (www.kinghenrys.co.uk).
Please read below some of the key points from this policy which you may need to consider as part of your application.

It is recognised that the judgements about what sacrifices a family should make to pay school fees will be personal and the level of awards is therefore not rigid. The award of a bursary is specifically to allow a child whose parents may not otherwise be able to afford tuition fees to benefit from a place at our school. The award is not intended to support a pre-existing lifestyle. The Governors therefore consider that the following would not be consistent with the award of a bursary:

1. Household income (gross income) in excess of £65,000
2. Net assets should not exceed £300,000
3. Substantial savings or investments of more than £60,000
4. Receipt of any means-tested State Benefit
5. If only one parent is employed (unless one is prevented from doing so through incapacity)
6. More than one property
7. Investment in significant home improvements
8. Mortgages on excessively expensive properties
9. Substantial equity in homes
10. Frequent or expensive holidays
11. New or luxury cars

A bursary form will be sent if you tick the box below.

All completed bursary forms must be returned by the deadline in order to be considered.

Early application for the 11+ Entrance Examination is therefore advised. Scholarships are awarded in recognition of excellence, not for financial support. Applicants are welcome to apply for bursaries as well as scholarships.

Do you wish to receive a bursary form?	YES <input type="checkbox"/> <i>(please tick)</i>

HOBBIES AND INTERESTS

Please include a brief description of your child's hobbies and interests here:

SCHOLARSHIPS AT 11+

A number of Academic, Music and Art Scholarships are available for Year 7 entry. The award of these scholarships will be based on the ability of the child and their performance in the examination and at interview. All scholarship interviews/auditions will take place in November. A scholarship award may be supplemented by a bursary award in appropriate cases.

11+ ART SCHOLARSHIP

Do you wish to apply for an Art Scholarship?

YES (please tick)

It is expected that applicants who wish to be considered for an Art Scholarship will show considerable natural ability and will have begun to reach high standards of proficiency in their creative work in terms of technique, development of ideas and their understanding of the subject. We will be looking for enthusiastic individuals who make the subject a major part of not only their school life but also their free time, and are able to respond to the creative possibilities of the subject.

Applicants are asked to submit a portfolio of recent work and should bring this to the school on the day of the Entrance Exam. After the work has been inspected, a shortlist of applicants will be invited to take part in an observed drawing exercise and a short interview with their portfolio of work. Inclusion on the shortlist will be dependent upon the necessary academic standards being met.

11+ MUSIC SCHOLARSHIP

Do you wish to apply for a Music Scholarship? (if yes, please complete the information below)

YES (please tick)

Awards are given for instrumental or vocal accomplishment alone, but applicants must reach the minimum academic standard to qualify for admission to the School. We expect applicants to have attained or be working towards a standard of **Grade 4 ABRSM** or equivalent on at least one instrument, normally an orchestral instrument. Please attach a short letter from the applicant in support of their application as well as a brief reference from the applicant's current Music teacher outlining their commitment to school music activities.

A shortlist of applicants will be invited to an interview/audition in which they will be encouraged to talk generally about their musical experience and aspirations, and to demonstrate knowledge of rudiments as well as evidence of widening interests.

DECLARATION

We/I (as the holders of parental responsibility) request that the name of the above-named child be registered as a prospective pupil of King Henry VIII School.

By signing this application form we understand, accept and agree that:

1. Registration of my/our child as a prospective pupil does not secure our child a place at the School but does ensure that my/our child will be considered for selection as a pupil at the School;
2. If my/our child is offered a place at the School, such an offer will be subject to the School's terms and conditions for the provision of educational services, which will bind me/us (as the holders of parental responsibility for him/her) in the event (and from the moment) that I/we accept the place. **A copy of the current terms and conditions is available for your information upon request at any time, but please note that the version of the parent contract supplied may be subject to change prior to the point in time when a place at the School for your child may be offered;**
3. The School will request information and a reference in respect of our child and information about any outstanding fees and/or supplemental charges from the child's present school or educational institution;
4. The School may process any personal data about us (or either of us) and our child, including sensitive personal data about our child (such as medical details), for the purposes of:
 - Administering its list of prospective pupils;
 - Its registration, selection and/or admission procedures, including as set out above; and
 - Communicating with the parents of prospective pupils about the School and generally managing relationships between the School and its prospective pupils.
 - The School will process personal data about you and your child in accordance with the Data Protection Act 1998, the General Data Protection Regulation 2018 (GDPR) and the School's Privacy Policy. Personal data held by us is processed by appropriate members of staff for the purposes for which the data was provided.
