DECLARATION

We/I (as the holders of parental responsibility) request that the name of the above-named child be registered as a prospective pupil of King Henry VIII School.

By signing this application form we understand, accept and agree that:

- Registration of my/our child as a prospective pupil does not secure our child a place at the School but does ensure that my/our child will be considered for selection as a pupil at the School;
- If my/our child is offered a place at the School, such an offer will be subject to the School's terms and conditions for the provision of educational services, which will bind me/us (as the holders of parental responsibility for him/her) in the event (and from the moment) that I/we accept the place. **A copy of the current terms and conditions is available for your information upon request at any time, but please note that the version of the parent contract supplied may be subject to change prior to the point in time when a place at the School for your child may be offered;**
- The School will request information and a reference in respect of our child and information about any outstanding fees and/or supplemental charges from the child’s present school or educational institution;
- The School may process any personal data about us (or either of us) and our child, including sensitive personal data about our child (such as medical details), for the purposes of:
 - Administering its list of prospective pupils;
 - Its registration, selection and/or admission procedures, including as set out above; and
 - Communicating with the parents of prospective pupils about the School and generally managing relationships between the School and its prospective pupils.
 - The School will process personal data about you and your child in accordance with the Data Protection Act 1998, the General Data Protection Regulation 2018 (GDPR) and the School’s Privacy Policy. Personal data held by us is processed by appropriate members of staff for the purposes for which the data was provided. We take technical and organisational steps to ensure the security of personal data. In the course of School business, we share personal data (including special category personal data where appropriate) with third parties such as examination boards and relevant authorities (e.g. the Department for Education).
